**Disability Working Screening applicants will need a TMR product prior to applying.**

The TMR product is used as part of our identity check and also enables us to print a photo on your Disability Worker Screening clearance card. To register for the Worker portal, you must have one of the listed TMR products.

To find out more please refer to our [Identity Verification fact sheet](#).

**Note**

**If you already hold a valid clearance in another state or territory, you cannot apply for a clearance in Queensland.**

## What information is required for your Proof of Identity?

You will need to have the following products handy so we can verify your identity.

- Queensland Department of Transport and Main Roads (TMR) Customer Reference Number
- TMR Registered Email Address

## Proof of Identity

To verify your identity, you will need a Queensland Department of Transport and Main Roads (TMR) Customer Reference Number (CRN) which is the number found on your driver licence, photo identification card or adult proof of age card. You will be asked to enter your CRN below and this will enable the online identity system to verify your details. The photo that appears on your TMR product will be printed on your Disability Worker Screening clearance card.

To find out more, please refer to our [Identity Verification](#) fact sheet. The fact sheet also provides information on what to do if you don't have a CRN.

### Important Information

**Did you know - A worker can use an NDIS worker screening clearance in any State or Territory in Australia.**

An NDIS worker screening clearance will **not be issued** in Queensland if a worker holds a clearance in another State or Territory in Australia.

If a worker currently holds a valid NDIS worker screening clearance, this can be used in a risk assessed role in Queensland, regardless of where your clearance was issued. This is because the NDIS worker screening clearance is a nationally recognised check.

Please do not apply for a NDIS worker screening check in Queensland. Instead, workers can provide organisations with your interstate NDIS Worker Screening ID. NDIS providers can verify your NDIS clearance status and eligibility to work within the national NDIS database.

**Question:** I have a NDIS worker screening clearance issued in New South Wales, but I have obtained a role in Queensland working for a different registered NDIS provider. Do I need to apply for a Queensland NDIS clearance?

**Answer:** No. The NDIS worker screening clearance is a nationally recognised check. If you have a valid NDIS worker screening clearance, you will be able to work in any state or territory e.g. in both New South Wales and Queensland, regardless of where the original clearance was issued.

To check if you are eligible to apply for a NDIS worker screening clearance, complete the [Eligibility Calculator](#) on our website. Or see the resources section on our website for more information.

Dear John

Your application for an NDIS Worker Screening Clearance has been lodged successfully. The Worker Screening Unit is now processing your application and will contact you if further information is required.

**No Card, No Start**

Queensland has adopted a "No Card, No Start" approach. Most workers must not engage in NDIS disability work until they have been issued a clearance. If you have an existing NDIS Worker Screening Clearance or a valid Yellow Card or Yellow Card Exemption you may be able to work while your application is being processed. Please speak to your employer about your eligibility to commence work or visit the Worker Screening [website](#) for further information..

**Changes in your details:**

You must notify the worker screening unit of any changes to your contact details, employment status (including if your volunteer or paid employment status changes) and your police or assessable information. It is an offence not to advise us of these changes and penalties apply.

**Processing time:**

Your application will be processed as soon as possible. Applications that require further assessment where there is criminal history or assessable information, will take longer to process.

**Contact;**

You can login to the applicant portal at any time to check the status of your application. Visit our Worker Screening [website](#) for more details.

# Notify of a Change in Engagement (Add a new Employer/Organisation or remove an old Employer/Organisation)

## What is a Change in Engagement?

A Change in Engagement is when a Disability Worker Screening Applicant or Clearance cardholder starts working for a new employer/organisation or stops working for an employer/organisation.

To find out more information please see the [Change in Engagement Fact Sheet](#).

## How do I notify of a Change in Engagement in the Worker Portal?

Disability Worker Screening Applicants and Clearance cardholders can now notify us of a Change in Engagement online, through the [Worker Portal](#).

This is the easiest and quickest way to notify us of a Change in Engagement.

### **REMINDER**

If you have a combined disability worker screening and working with children check application, or hold a blue/exemption card you **also need to tell** [Blue Card Services](#) about any changes, including a change of employer/organisation.

## Where do I go in the Worker Portal to Notify a Change in Engagement?

### Note

You can notify us of a Change in Engagement in three different sections of the **Online Services Home screen**. What appears on the screen below will depend on the status of your clearance or application.

Selecting the relevant scenario below will tell you which button you need to use to notify us of a Change in Engagement.

The screenshot displays the Worker Portal interface. On the left, there are two sections: 'My Personal Details' and 'My Applications Details'. The 'My Personal Details' section includes contact information for Neil Test and an 'Update My Details' button, which is highlighted with a red box and a red circle labeled '3'. The 'My Applications Details' section shows application status and type. In the center, there is a panel with three buttons: 'Review or Update My Application' (highlighted with a red box and a red circle labeled '1'), 'Update My Application Employer Details' (highlighted with a red box and a red circle labeled '2'), and 'Apply to Withdraw My Application'. The screenshot shows the Queensland Government online services home page. The header includes the Queensland Government logo, the text 'Queensland Government', and the department name 'Department of Seniors, Disability Services and Aboriginal and Torres Strait Islander Partnerships'. There are 'Contact us' and 'Help' buttons in the top right, and 'Home' and 'Logout' buttons in the top left. Below the header is a dark blue bar with the text 'Online Services Home'. 2. **Please note**, if you see the below pop up it is because you have a finalised renewal application, but your current clearance has not yet expired. If you order a replacement card you will be issued with your current clearance. Your renewal clearance card will only be posted once your old clearance card expires.

The screenshot shows a pop-up message with the title 'Request for Replacement card'. The text inside the pop-up reads: 'If you request a replacement card, you will be sent a replacement card for your previous clearance that is about to expire. You will not be issued with a replacement of the new clearance. Your new card will not be posted to you until your previous clearance has expired.' There is a 'CLOSE' button in the bottom right corner of the pop-up.

3. From the dropdown boxes, select the **card** that you want to replace, the reason **why** you need a replacement card and the **date** that the card was lost or stolen (if relevant).
